

GRATITUDE CARDS

This small clear acrylic box contains 15 mini photo cards with a special message on the back of each card.

Carry these delightful little cards around, and leave one for a friend, a waitress, a doctor, a teacher, a vet, a child, a caretaker, someone going through a tough time... spread a little cheer... These are truly little acts of kindness!

Dinah's beautiful photos are printed in high quality with the same gradient image on the back, containing the heartfelt message. They're as joyful to give as to receive!
